Minutes of the Meeting held on Tuesday 26th June 2009 at the Hawk Inn, Haslington

Attending: Neil Parker, Frank Dutton, John Hibberd, Mike Hassall, Mike Peters, John Morin, Sue La Rosa, Tony La Rosa, Peter Bloor, Sean Bennett, Isabel & Howard Carrahar.

Apologies: Helen Shone-West, Mike Hasprey.

Thanks to all who attended the focused and well ordered meeting and for their contributions and thanks too, to those who advised of their apologies.

Meeting opened at 8.05 and closed at 9.25.

It was good to see **three new members** with us. You are all very welcome.

The meeting was well attended and contributions were numerous.

It was decided to go ahead with the following...

The "George Formby" film which is already shot, is to continue in its editing, with Peter Bloor, Isabel & Howard in the driving seat. This project is on-going.

We decided to enter a film in the North Versus South competition where this years category is "Trapped".

It was understood and agreed that the film "The Driver" which we had planned to produce during last year, would fit into this category perfectly.

A script meeting for "The Driver", scheduled for the actors only, Isabel, Mike Peters and Mike Hassall, will take place at the home of the Carrahar family, at 7.30 on Friday 24th July, to finalise the script and to achieve dialogue timings etc.

Just to say thank you to Isabel & Howard for providing their home for this purpose.

A filming date is scheduled for Sunday 23rd August. Time and location is yet to be advised.

Watch this space for further updates.

Cameras: Sean Bennett, John Morin, Howard Carrahar and Neil Parker. The latter will fill the role of director.

Peter Bloor brought to the table an idea he had for producing a film on the National Memorial Arboretum (amongst a number of other ideas) having recently made a visit there.

Frank Dutton and Tony La Rosa will be researching this project.

Please watch this space for further information.

Peter Bloor read out an idea for a one minute film which people were keen to produce.

Quick and simple with a good punch-line.

Frank Dutton and John Hibberd were cast as the two "old men"...and we may even persuade Sue to join us too, but no pressure...all roles are voluntary...but watch this space for more details.

Peter Bloor will be arranging this "one minuter".

You'll like it!

Appreciation to all who contributed and have agreed to collaborate in filming and in any other ways in the future.

Best regards,

Mike Hassall
