

Dear all Crewe Cine and Video Members,

We are currently arranging the next club film meeting to be held at the **Hawk Inn, Haslington, The Dining Room at 8pm on Thursday 5th August 2010.**

At the last meeting held on the 13th July:

The following people attended:

- Mike Hassall
- Neil Parker
- Eddie Weaver
- Bill Rodick

The following offered their apologies:

- Howard Carrahar
- Isabel Carrahar
- Helen Shone-West
- Frank Dutton

At the meeting we further 'brain stormed' ideas for the next film. Between us we discussed and finally came to the conclusion that a drama would be the best option for the film.

The drama will be an interesting story and have a cricketing theme, further details will be shared at the meeting, suffice to say that this story will have a nice twist.

Everyone is invited to join in the continuing film preparation. Come along and bring your ideas for our next film project.

We need people to be involved in the scripting, filming (including cameras, directing, acting and sound) as well as editing and final preparation.

Hope to see you there,

Regards,

Neil Parker & Mike Hassall
