

On Tuesday 22nd of July a second club film meeting took place.

At the meeting it was discussed how we would remake the film called The Driver. We decided that a new cast and number of cameras to shoot this film would be required. The key item we also discussed was how to get the sound quality to an optimum level.

The cast and crew of the film would be made up of follows, subject to change:

Cast

- Driver – Mike Hassall
- Drivers Wife – Isabel Carrahar
- Police Man – TBC

Crew

- John Morrin, Howard Carrahar, Neil Parker – Cameras
- TBD - Sound
- Neil Parker - Director
- John Morrin – Editor
- Script Writer – Isabel Carrahar

Location, Props

- Midpoint 18 Middlewich
- Police Uniform from Mike Peters or Nigel Peever - TBD

The next meeting has been arranged for **Monday 11th August 8pm** at the Parker house hold. This meeting is to review the script and discuss any changes that need to be made and the next steps to re-creating this film. Again, if you are interested in helping us re-shoot this film please come along as we will need lots of help both behind and in front of the camera.
